TRADE NOTICE No.02/2024

Subject: EODC Camp w.e.f. 11th Nov. 2024 to 22th Nov. 2024 - reg.

In our continuous efforts to enhance the efficiency and effectiveness of export-related processes, it is hereby informed that the office of the Additional Director General of Foreign Trade (CLA DGFT) will be organizing an Export Obligation Discharge Certificate (EODC) camp to address pending applications for Advance Authorizations and EPCG licenses.

Details of the EODC Camp:

- **Camp Period:** 11th November 2024 to 22th November 2024
- **Venue:** CLA DGFT office, ITO, New Delhi

Exporters whose EODC applications are still pending and do not have a "Closed" status on the DGFT website are strongly encouraged to participate in this camp. This initiative will enable exporters to resolve unredeemed license pendency to the maximum extent possible.

Action Required:
To ensure a smooth and efficient process during the camp, exporters are requested to identify cases that have been pending for an extended period. Please submit the details of such cases, including file references, to this office by **8th November 2024** on email. This proactive step will allow us to prepare the necessary files and resources to process the cases effectively during the camp. Additionally, please note that the post-lunch session of each day during the camp will be exclusively reserved for addressing these identified cases.

For advance intimation of pendency and any queries related to the EODC camp, please contact us at **cladelhi-dgft@nic.in**.
