It was a great honor to attend this prestigious event. For us, participating represented an invaluable opportunity to connect with new suppliers and explore innovative product formats. The fair opened new horizons for our business and was key to identifying solutions to optimize the logistical and regulatory challenges we face. The impeccable organization

						and leadership were evident throughout the fair. We are confident that the connections established will lay the foundation for long-term and mutually beneficial cooperation.

This experience was not only an immersion in the rich and vibrant culture of the country, but also a highly productive trade mission that exceeded our expectations. The fair served as an exceptional platform for business development. Multiple meetings were held with Indian companies, which were crucial in identifying opportunities for collaboration and possible avenues for expansion in the Asian market. We had the opportunity to visit several local factories. These visits offered a direct insight into the production processes, quality, and scale of their operations. The initial contacts and facility visits have laid a solid foundation for future fruitful commercial and strategic partnerships. Our stay was also enriched by the hospitality and warmth of the Indian people. We enjoyed the cultural immersion and the opportunity to taste a wide variety of traditional dishes, whose intense flavors and use of exotic spices were a delight for our team. This cultural understanding

						complements the business vision. **From Mr. Juan Francisco Puello - President DF Dixss Frank SRL** I would like to express my deepest gratitude for the gesture of support provided by the Embassy of India in the Dominican Republic. Similarly, I would like to thank UP Trade Fair 2025 for giving us the opportunity to participate in such an important event, which is an invaluable experience in terms of knowledge and business exchange. This encounter does not end here: it represents the beginning of a door that opens to new business opportunities that India offers us, extending to the Caribbean. At the same time, it is an experience that promotes the generation of employment, wealth, and well-being. I am deeply happy and I take with me a firm interest in returning to this great country, with new shopping and business experiences, and with the determination to bring more Dominican entrepreneurs to strengthen this exchange.
