D. Opportunities in technology/Investment/Procurement:

a. Opportunities in technology: Ms. Amal El Fallah Seghrouchni, Delegate Minister for Digital Transition and Administrative Reform, made the announcement during the closing session of the fifth edition of the Digital Now Forum 2025 in Casablanca in December 2025 that Morocco is set to inject MAD 1.3 billion ($140 million) into its startup ecosystem as part of the Morocco Digital 2030 strategy, marking a major step in the country's ambition to position itself as a regional digital and innovation hub.

The funding package is designed to back startups at various stages of development. Under the plan, $81 million will be dedicated to venture building programs that support early-stage creation and growth. A further $49 million is earmarked for venture capital to expand access to private investment, while $7.6 million will strengthen and expand the Technopark network.
