India – Vietnam Business Outreach 2026 held in Hanoi

On 4th February 2026, the Embassy of India, in coordination with the Indian Business Chamber in Vietnam (INCHAM Hanoi) chapter organized a Business Outreach and Tet Reception. The event was chaired by H.E. Mr. Tshering W. Sherpa, Ambassador of India, Mr. Nguyen Trung Khanh, Director General, Vietnam Authority of Tourism, Mr. Nguyen Quang Vinh, Vice Chairman of Vietnam Chamber of Commerce and Industry, Mr. Navendu Kumar, Chairman of INCHAM Hanoi, Mr. J.P. Shriram, Chairman of INCHAM Ho Chi Minh. The event was attended by 90 representatives of India and Vietnamese Associations and companies. The event began with Video titled “New India, New Opportunities”.

Speaking at the event, Mr. Navendu Kumar, Chairman of Indian Business Chamber in Vietnam (Hanoi Chapter) said that over the year, economic and commercial cooperation has become a key pillar of the India–Vietnam Comprehensive Strategic Partnership. Bilateral trade has grown from approximately US\$200 million in 2000 to a record high of US\$16.5 billion in 2025, reflecting a 10.5% year-on-year increase. India is now among Vietnam’s key trading partners. As of 2026, Indian investors have established 432 projects in Vietnam with total registered capital of approximately US\$1.1 billion. He said that as a gateway to Southeast Asia, Vietnam creates new opportunities for trade, investment, and regional supply chain integration. INCHAM has played an important role in strengthening bilateral trade, investment, and business collaboration.

In the keynote address, Ambassador said that 2025 was a transformational and a landmark year for India, which witnessed simplification of governance, modernized institutions and strengthened the foundations for long term inclusive growth. Real GDP estimated to have grown by 7.4% making India the world’s fastest-growing major economy, positioning India as the world’s fourth-largest economy. As regard to India – Vietnam relations, Ambassador highlighted that 2026 was an important year when both countries celebrate 10 years of our Comprehensive Strategic Partnership. Series of activities are being planned to celebrate this milestone, including high level visits, business delegations, seminars, etc. Ambassador expected that trade and commerce need to be strengthened with focus on initiating cooperation in new domains, particularly in infrastructure (port connectivity and railways) innovation, critical and emerging technologies, renewable energy and health care, digital public infrastructure, fintech and pharmaceuticals.

Mr. Nguyen Quang Vinh, Vice Chairman of Vietnam Chamber of Commerce and Industry said Vietnam remains committed to improving the business and investment environment, promoting sustainable development, green growth, and innovation. In this process, VCCI see Indian enterprises as long-term partners who can bring valuable experience, technology, and investment to Vietnam’s development journey.

Mr. Nguyen Trung Khanh, Chairman of Vietnam Tourism Authority said that India is one of the fastest-growing outbound travel markets in the world. Indian travellers have become an increasingly important segment for many destinations across Asia, including Vietnam. Viet Nam has also emerged as one of the fastest-growing markets for India in the post-pandemic period. From 2019 to 2024, Viet Nam ranked among the top four fastest-growing inbound markets for India. This two-way growth demonstrates a balanced and mutually beneficial relationship. He added that travel between Vietnam and India has become more convenient than ever before. Direct air connectivity has expanded significantly, with more than 100 direct flights per week now linking major destinations in our two countries. The e-visa policies applied by both sides have made travel planning simpler and more flexible, encouraging travel with greater ease and confidence. In 2025, Viet Nam welcomed nearly 750 thousand Indian visitors, an increase of 49 per cent compared to the previous year, placing India among Viet Nam’s top six inbound markets.

The event followed by business interaction among Indian and Vietnamese companies. The event provided both the Indian and Vietnamese companies a good opportunity of interaction and forge possible business opportunities.

Promoting Vietnam-India cooperation in trade, tourism, and aviation at the SATTE 2026 Fair

From February 25-27, 2026, the South Asia Travel and Tourism Exchange (SATTE 2026) took place at the Yashobhoomi Exhibition Centre, Dwarka, New Delhi. This was one of the largest tourism events in the region. The fair attracted thousands of businesses, tourism promotion agencies, and international airlines, reflecting the increasingly important role of the tourism industry in the economic development strategies of India and the South Asian region.

The Vietnamese delegation participated in SATTE 2026 with a prominent presence from Vietnam Airlines India Branch, the An Giang Tourism Association, along with more than 30 travel agencies, hotels, resorts, and tourism service providers from various provinces and cities across Vietnam. The Vietnamese booths were professionally designed, promoting the image of a safe, friendly destination rich in cultural identity, attracting numerous Indian and international partners to learn about and connect with potential business partners.

During the events, Vietnam Airlines' active promotion of its products, routes, and cooperation policies in the Indian market plays a crucial role in strengthening direct air connections between the two countries, facilitating trade, investment, and people-to-people exchanges. In recent years, the number of Indian tourists visiting Vietnam has grown impressively, making India one of the key source markets for Vietnamese tourism. Conversely, the demand for tourism, spiritual tourism, and leisure activities among Vietnamese tourists in India is also increasing.

The active participation of the Vietnamese tourism business community at the South Asia Travel and Tourism Fair 2026 not only contributes to promoting the image of Vietnam and its people but also creates new momentum for tourism and aviation cooperation between the two countries. Through this, Vietnam-India trade relations will continue to expand in a deeper, more substantive, and sustainable manner, making a positive contribution to the goal of increasing bilateral trade turnover and strengthening economic connectivity in the region.
