- Taric Database (TradeTariffs):https://ec.europa.EU/taxation_customs/dds2/taric/taric_consultation.jsp

Romania complies with all the EU regulations in the field of economy and trade. All the tariffs apply to all the products entering the commercial circuit of the EU single market.

Romanian implemented, new EU Regulation (EU) 2021/2246 of 15 December 2021, specifying that a health certificate is required for health supplementary products which contains plants substances (Ayurvedic medicines), document which needs to be issued by a competent authority, currently Export Inspection Agency, entity under Government, before shipment's departure. The new Regulation 2021/2246 came in force in Romania on 6th of January, 2022.

RO e-Transport system: In order to increase the level of collection of taxes and duties due to the state budget, as well as preventing and combating illicit trade in goods with a high fiscal risk, The Romanian Ministry of Finance has decided to implement the RO e-Transport system as of 1 July 2022 but the obligation has been postponed for some time.

The Ministry of Finance mentioned high fiscal risk goods with assigned CN codes. In short, such goods fall into the following categories: vegetables, fruits, nuts, alcoholic beverages, mineral products (natural mineral water, sand and gravel), clothing and footwear. Failure to comply with these provisions may be punished by a fine of between EUR 1,000 and EUR 20,000. Implementation of this rule has been getting delayed because of protest from transport operators.

Regarding the import of Fertilizers: Emergency ordinance no. 121/2022 regarding the establishment of measures to make available on the market some fertilizer products and for the amendment of Law no. 232/2010 regarding the import regime of fertilizer samples and fertilizers.

Considering the obligations of Romania, as a member state of the European Union, to comply with the provisions of the European Union legislation for the authorization of fertilizers in order to be included in the list of authorized fertilizers, with the mention RO-Fertilizer, for use and marketing in Romania. In order

to ensure at national level, the legal framework in accordance with the notification requirements of the conformity assessment bodies for fertilizer products in Romania, according to Regulation (EU) 2019/1009 of the European Parliament and of the Council which allow the transmission of information by the Ministry of Agriculture and Rural Development to the European Commission, in an interoperable and automatic way, the registration of tested and authorized fertilizer products in the European Union; the fertilizer products authorized in the pedoclimatic conditions in Romania.

Anti-dumping Duty: European Commission imposed definitive anti-dumping measures on imports of ceramic tiles originating from India for a period of five years. This follows an investigation which was initiated in December 2021 and showed that EU producers were harmed by dumped imports from India. The anti-dumping duties imposed range from 6.7% to 8.7% for ceramic tiles from India.

Roundtable to strengthen India-EU bilateral ties

The Great Lakes Institute of Management, Gurgaon, in collaboration with CII and the Embassy of Romania, recently hosted an International Roundtable Discussion on "India-EU Bilateral Ties: The Present & The Way Forward in a New World Economy" at India Habitat Center. The event featured Dr. Petre Roman, former Prime Minister of Romania, as

theChief Guest, with Daniela Mariana Sezonov Tane, Ambassador of Romania to India, and Meenakshi Lekhi, former Minister of State for External Affairs of India, as Guests of Honour.

Dr. Roman emphasized the EU's potential to become a superpower promoting global peace and highlighted India's transformative journey under Prime Minister Modi. Ambassador Tane called for a robust, rules-based trade system to foster fair competition and economic cooperation.
