One Nation. One Expo.

India has a vast **Building Materials, Construction, Infrastructure and Manufacturing ecosystem, driven by thousands of Manufacturers, MSMEs, Associations, Professionals and Buyers.**

Yet, this ecosystem remains spread across different sectors and platforms.

"One Nation. One Expo." aims to bring the **entire ecosystem under one roof** connecting manufacturers, MSMEs, dealers, distributors, architects, developers, government stakeholders and global buyers on one national platform.

Our objective is to create one strong national platform that **brings the collective strength of India's building materials industry together and takes India's capabilities to the global stage.**

A platform to connect, collaborate, do business, share knowledge and build global relationships, while taking India's capabilities to the world.

Building The Brand Bharat

India is building, manufacturing and innovating like never before. **Building Brand Bharat means taking** this collective strength to the global stage and showcasing India's quality, capability, innovation and manufacturing strength.

Our aim is to position India not only as a Consumer Market, but as a Manufacturer, Innovation Partner and Global Sourcing Destination.

Every manufacturer, MSME, innovator, professional, association and industry stakeholder has a role to play in this journey.

Let us all come together and become a part of this movement. Let us collectively take Indian capabilities to the world, strengthen India's global presence and proudly build Brand Bharat.

One Nation. One Expo.
Together, Let Us The Build Brand Bharat.

Director's Message

Bharat Buildcon Vision 2047

एक Exhibition से कहीं आगे — भारत के औद्योगिक भविष्य की ओर

जब हमने Bharat Buildcon की कल्पना की थी, हमारा उद्देश्य एक और Exhibition शुरू करना नहीं था। हमारा उद्देश्य एक ऐसा राष्ट्रीय Platform बनाना था, जहाँ भारत का **Building, Construction, Infrastructure और Manufacturing Ecosystem** एक साथ आए और अपनी क्षमता को दुनिया के सामने प्रस्तुत करे।

भारत में हजारों **Manufacturers, MSMEs, Innovators और Technology Providers** हैं, जिनके पास उत्कृष्ट Products, अनुभव और Global Markets तक पहुँचने की क्षमता है। लेकिन **क्षमता होना और उस क्षमता का दुनिया तक पहुँचना, दो अलग बातें हैं।**

Bharat Buildcon इसी अंतर को कम करने की एक कोशिश है।

हम चाहते हैं कि भारतीय Manufacturers और MSMEs की पहचान उनके आकार से नहीं, बल्कि उनके **Product, Quality, Innovation और Capability** से हो और दुनिया भारत को **एक विश्वसनीय Manufacturer, Innovation Partner और Global Sourcing Destination** के रूप में देखे।

Vision 2047 — हमारी जिम्मेदारी

Viksit Bharat का सपना सरकार के साथ Industry, MSMEs, Innovators, Institutions और हर responsible Stakeholder का भी साझा संकल्प है। Bharat Buildcon इसी यात्रा में ऐसा Platform बनना चाहता है जो **Industries को Markets से जोड़े, Global Buyers को भारत से जोड़े, Innovation को बढ़ावा दे और Industry तथा Government के बीच Meaningful Dialogue को मजबूत करे।**

हम चाहते हैं:

- भारत Innovate करे।
- भारत Collaborate करे।
- भारत दुनिया से जुड़े।
- एक राष्ट्रीय प्रयास, एक साझा Vision

इसी सोच से **One Nation. One Expo.** की भावना सामने आती है। यह विभिन्न **Industries, MSMEs, Corporates, Associations, Government Stakeholders, Buyers और Global Partners** को एक मजबूत Ecosystem में जोड़ने का प्रयास है।

हमारा विश्वास है कि जब **Government, Industry Leaders, Manufacturers, Associations, Professionals, Buyers और Global Partners** साथ आते हैं, तो India की **collective capability** और **global visibility** और मजबूत होती है।

Bharat Buildcon आपको केवल एक Exhibition में भाग लेने के लिए नहीं, बल्कि **भारत के औद्योगिक भविष्य की इस यात्रा में सहभागी बनने के** लिए आमंत्रित करता है।

आइए, हम सभी साथ मिलकर "One Nation. One Expo." के विचार को साकार करें और "Brand Bharat" के निर्माण के इस सपने को आगे बढ़ाएँ। साथ मिलकर हम भारत के निर्माण और विकास से जुड़े सभी उद्योगों को एक मंच पर ला सकते हैं।

सादर एवं शुभकामनाओं सहित,
Director, Bharat Buildcon
